11	<p>The clerk presented the accounts sheet. Listed payments were authorised and it was RESOLVED to approve. They were then signed by the Chair.</p> <p>The meeting closed at 6.50pm.</p> <p>Signed:.....</p> <p><u>Appendix A</u></p> <p>Warwickshire County Council Report Councillor David Curtis</p> <p>Councillor Grant Fund This year the Round 1 deadline for applications was Sunday 20 July 2025 so I expect a similar date for 2026.</p> <p>Admington Road signs I have raised this with Highways but will now confirm which sign still needs replacing. I understand from a resident that the sign that needs replacing is the as you come down the hill from Wilson's Farm/Ilmington direction.</p> <p>White Lines Renewing white lines is relatively inexpensive and an effective way of increasing road safety. The budget for white lining is agreed early in the financial year and is best carried out in late spring/summer.</p> <p>It would be extremely helpful to let me know at the March meeting what priorities the parish has for white lines, I can then get these requests into the system early.</p> <p>Budget We have now had the Government Settlement which was circulated shortly before Christmas. In brief it's not good news for the shires and the Government is prioritising urban rather than rural areas of deprivation. Next week we will have an update from the S151 Officer, Rob Powell and I'll update at the next PC Meeting on 2 February.</p>
